Veterans Treatment Courts

- Last year, the legislature expanded eligibility for veterans by including contractors and removing requirements of general discharge.
- This year, FDVA is looking to address standardization and funding for the court statewide.
- The bill specifically addresses:
 - Adding a gatekeeper to Veterans Treatment Courts
 - Allowing the alleged victim the right to participate in the veteran's treatment
 - Provides standards for determination of acceptance into the program

Alternative Treatment Options

- Last year, the legislature passed the Alternative Treatment Options bill and appropriated \$200,000 for veterans with PTSD, TBI and Military Sexual Trauma.
- Currently, USF working with organizations that provide veterans with HBOT, Music Therapy, Accelerated Resolution Therapy, Equine Therapy and Service Animal Training Therapy.

- FDVA continues to advocate for additional state funding to reach more Florida veterans.

Homestead Tax Exemption

- The joint resolution proposes an amendment to the Florida Constitution to allow the same ad valorem tax discount on homestead property for combat-disabled veterans age 65 or older to carry over to the surviving spouse of a veteran.
- The discount would apply to the property until the surviving spouse remarries, sells, or otherwise disposes of the property.

VA Medical Doctors

- Currently, doctors employed by the VA and practicing in Florida do not have to have a Florida Medical License.
- Proposed bill will allow MDs and Doctors of Osteopathic Medicine employed by the U.S. Department of Veterans Affairs who are licensed in other states, to practice in **private medical facilities**.
- The legislation applies only to veterans who are currently receiving care through the U.S. Department of Veteran Affairs using their earned benefits.
