Lesson 23, Claim Submission Exercise Exercise Worksheet

Instructions: Use this worksheet while performing the exercise for Lesson 23, Claim Submission Exercise. Your objective is to identify as many Veteran conditions, issues, or goals during the interactive exercise as possible. In the first column, "Veterans Issue," list the Veteran's medical conditions, claim issues, and other goals he identified in the exercise that could be presented to VA. In the second column, "VA Forms," write the number of the VA form needed to be completed and submitted in order to apply for those benefits. In the third column, describe the reason(s) for using each of the VA Form(s) identified in the second column.
